

Amendment 0002

Solicitation Number: ONRBAA 13-013

Gas Turbine Upgrades for Reduced Total Ownership Cost (TOC) and Improved Ship Impact

Date: 30 May 2013

The purpose of Amendment 0002 under ONRBAA 13-013, is the following:

A. to revise Section IV. 1. as follows:

1. Application and Submission Process - Industry Day, White Paper, Full Proposals

Industry Day is planned for **June 17, 2013** at the **Executive Conference Center 4075 Wilson Boulevard, 3rd Floor, Arlington, VA**. During this time, representatives from ONR, NAVSEA, and NSWCCD, Philadelphia will outline the objectives and requirements of this program and the need to develop materials to upgrade the hot section of Marine gas turbines that are used or planned to be used in today's Fleet and the Fleet after Next. Industry, academia, and other eligible Offerors will have an opportunity to ask questions and provide feedback in order to successfully accomplish the goals of this research opportunity.

Industry Day pre-registration is required. Vendors interested in attending Industry Day must apply for Industry Day registration, no later than 1600 hours EST, 11 June 2013, via the following website:

<https://secure.onr.navy.mil/events/regdetail.asp?cid=956>

Industry Day registration confirmations are expected to be sent within three working days. Registered attendees must bring a copy of registration confirmation for entrance. Industry Day WALK-IN REGISTRATION WILL NOT BE PERMITTED. Registered attendees will sign-in between 0800 and 0830 hours EST. The presentation is scheduled from 0830 to 1600 hours EST. Neither the Office of Naval Research (ONR) nor any other part of the federal Government will be responsible for any cost incurred traveling to or participating in this industry day.

Each White Paper should state that it is submitted in response to this announcement. White Papers shall be submitted directly to the Technical Point of Contact (TPOC) identified in Paragraph 7 above. Each White Paper will be evaluated by the government to determine whether the applied research and technology advancement proposed appears to be of particular value to the Department of the Navy. The submitters of White Papers judged to be of "particular value" to the Navy will be so identified in the initial response provided by ONR and encouraged to submit Full Proposals. The submitter of any White Paper not judged by the ONR reviewers as being of "particular value" to the Navy is ineligible to submit a Full Proposal under this solicitation. The due date for receipt of White Papers is stated in paragraph 3 below.

The due date for receipt of Full Proposals is stated in paragraph 3 below. It is anticipated that final selections for awards will be on or about 6 December 2013. As soon as the final proposal evaluation process is completed, each Offeror will be notified via email or letter of its selection or non-selection for an award.
