

Amendment Number 0004
ONR BAA14-011
Entitled
“Expeditionary Warfare Data Focused Naval Cloud (EXWNTC)”
27 August 2014

The purpose of this Amendment is to specify the page limitation for the technical content of the proposal submission. Accordingly, paragraph b. (Full Proposals), i. (Instructions For Contracts (Does not include Grants), of Section IV entitled “Application and Submission Process”, is revised to include the following language:

Technical content is limited to no more than 25 pages. The cover page, table of contents, resumes, current and pending project(s), and proposal submission information are excluded from the page limitations. Full Proposals exceeding the page limitation may not be evaluated. There are no page limitations to the Cost volume.

This ends the Amendment. All other information stated in this Broad Agency Announcement remains unchanged.
